Dear Student,

The document you will see below is a sample of the topic you need to address in your assignment. We have provided this example to guide you in the structure and expected content. However, it is important that you **fill in the document with your own information** and personal experiences. Make sure to customize each section according to your own plans, ideas, and specific details. Remember, the goal is to reflect your own thoughts and creativity in the content you submit.

Good luck and enjoy the process!

Estimado estudiante,

El documento que verás a continuación es una muestra de la temática que debes abordar en tu trabajo. Te proporcionamos este ejemplo para guiarte en la estructura y el contenido esperado. Sin embargo, es importante que rellenes el documento con tu propia información y experiencias personales. Asegúrate de personalizar cada sección de acuerdo con tus propios planes, ideas y detalles específicos. Recuerda que el objetivo es reflejar tus propios pensamientos y creatividad en el contenido que entregues.

¡Buena suerte y disfruta el proceso!

1. Family

- **Question / Statement** • Tell me about your family.
- **Sample Answer:** "My family is pretty *close-knit*. I have *two* siblings, an older brother and a younger sister. My *parents are* very supportive, always encouraging us to pursue our goals. We like *spending time together, whether it's having dinner or going on weekend trips*. Even though we're all busy, we make an effort to stay connected."

2. Family size

- **Question / Statement** Do you have a big family or a small family?
- **Sample Answer:** "I'd say my family *is medium-sized*. I have *two* siblings, so *we're three kids* in total. It's not too big, but not too small either. We have a lot of fun together, and our extended family *is close by*, so we often *get together for holidays and special occasions*."

3. Brother and sisters

- **Question / Statement** Do you have any brothers and sisters?
- **Sample Answer:** "Yes, I have *two* siblings—an older *brother* and a *younger* sister. My brother is *really into sports, especially soccer*, and my sister loves *art and music*. We all have different interests, but we get along well and enjoy spending time together as a family."

4. Food

- **Question / Statement** What food does your family like?
- **Sample Answer:** "My family has a mix of tastes when it comes to food. We all *love Italian cuisine*, especially *pizza and pasta*. My mom makes an amazing *lasagna* that's everyone's favorite. We also enjoy having *barbecues* on *weekends*, and sometimes we try out different international dishes, like *sushi or tacos*."

5. Family

- **Question / Statement** • How often do you see your family?
- **Sample Answer:** "I see my family quite often, especially since we all live fairly close to each other. We usually get together for dinner at least once a week, and we try to spend weekends together when we can. Even when we're busy, we make an effort **to stay in touch** and **catch up regularly**."

6. Living

- **Question / Statement** • Where does your family live?
- **Sample Answer:** "My family **lives** in the **same city where I attend university**, so we're all relatively close. My parents live in the suburbs, and my siblings and I each have our own places nearby. It's **nice** because we can visit each other **easily** and get together **without too much planning**."

7. Home

- **Question / Statement** • Tell me about your home.
- **Sample Answer:** "My home is a **cozy apartment** near **the university**. It's not too **big**, but it's **perfect** for **me**. I have a **small living room** where I like to **relax and study**, a **kitchen** where I try out **new recipes**, and a **bedroom** with lots of natural light. It's a **comfortable** space that feels **just right**."

8.

- **Question / Statement** • Do you live near the centre of town?
- **Sample Answer:** "Yes, I live **pretty close** to the **center of town**. It's convenient because **everything I need is nearby—shops, restaurants, and my university**. I can walk or bike to **most places**, which saves **time** and makes it **easy to meet up** with **friends** or **run errands**."

9. Far from work or school

- **Question / Statement** • Do you live far from your work or school?
- **Sample Answer:** Yes, I live quite **far** from my university. It takes me about an **hour and a half** to get there by **public transport**. Although the commute can be tiring, I use the time to **read or review my notes**, so it's **not completely unproductive**.

10. Get to work

- **Question / Statement** How do you get to work or school?
- **Sample Answer:** I usually take the **bus to get to school**. It's the most convenient option for me, even **though it can be crowded during peak hours**. Sometimes, **if the weather is nice**, I prefer **to bike to enjoy the fresh air and get some exercise**.

11. Free time in the evening

- **Question / Statement** What do you do in the evenings?
- **Sample Answer:** *In the evenings, I usually relax and unwind after a busy day. I like to read a book or catch up on my favorite TV shows. Sometimes, I meet up with friends or work on assignments. It's my time to recharge and prepare for the next day.*

12. Free on the weekends

- **Question / Statement** What do you do at weekends?
- **Sample Answer:** *On weekends, I enjoy a mix of activities. I often catch up on hobbies like painting or hiking. I also spend time with friends and family, whether it's going out for a meal or having a game night. It's a great way to balance relaxation and socializing.*

13. favourite present

- **Question / Statement** Tell me about your favourite present.
- **Sample Answer:** *My favorite present was a camera I received for my birthday last year. I've always loved photography, and this camera has allowed me to capture some amazing moments. It's not just a gift; it's something that's helped me explore my creative side and preserve memories.*

14. presents

- **Question / Statement** • When did you get the present?
- **Sample Answer:** *I got the camera for my birthday last year, which is in April. It was a surprise from my family, and I remember being really excited when I opened it. It felt extra special because it showed they really knew and supported my interests.*

15. Origin of your last present

- **Question / Statement** • Who gave the last present to you?
- **Sample Answer** *The camera was a gift from my parents. They know how passionate I am about photography, so they wanted to give me something that would help me pursue my hobby more seriously. It was really thoughtful of them and made the gift even more meaningful.*

16. Size of your present.

- **Question / Statement** • your last present, was it small or big?
- **Sample Answer** *The camera is relatively compact, which is great for carrying it around easily. It's not as small as a point-and-shoot, but it's portable enough for travel and everyday use. Despite its size, it has advanced features that let me take high-quality photos.*

17. Where is it?

- **Question / Statement** • Where is your favourite present?
- **Sample Answer** *My favorite present is currently on a shelf in my room, where I keep it safely. I like to have it nearby so I can easily grab it when I want to take photos. It's also a nice reminder of the thoughtfulness behind the gift.*

18. Material

Question / Statement • • What is it made of?

Sample Answer *The camera is primarily made of durable plastic and metal components. The body has a sturdy metal frame, while the exterior is coated with a textured plastic for a comfortable grip. The lens is glass, which ensures sharp and clear images.*

19. Work

Question / Statement • Where do you work?

Sample Answer *I work at a university as a student assistant in the library. My tasks include helping with research, organizing materials, and assisting students with their needs. It's a great environment to be in, especially since I'm studying there as well.*

20. Do you like it?

Question / Statement • Do you like your job? Why/Why not?

Sample Answer *Yes, I like my job because it's engaging and allows me to be surrounded by academic resources. Helping students find what they need and organizing materials is satisfying. Plus, it's a great way to stay connected with my studies and meet new people.*

21. Company size.

Question / Statement • Do you work in a big company or a small company?

Sample Answer *I work at a university, which is quite large and has many departments and staff. Although it's not a traditional company, the scale and structure are similar to a big organization, with a variety of roles and resources available.*

22. Boss

Question / Statement • Do like your boss? Why/ Why not?

Sample Answer *Yes, I like my boss. They're supportive and approachable, always willing to provide guidance and feedback. They also create a positive work environment, which makes it easier to stay motivated and enjoy my tasks. Their leadership style really contributes to a great team dynamic.*

23. typical day at work

Question / Statement • Tell me about a typical day at work.

Sample Answer *A typical day at work starts with checking my schedule and organizing tasks. I spend time helping students with research, finding resources, and answering questions. I also work on cataloging new materials and maintaining the library's order. The day often includes meetings with colleagues to discuss upcoming projects or improvements.*

24. you finish work

Question / Statement • What time do you finish work?

Sample Answer *I usually finish work around 5 PM. Depending on the day, I might stay a bit later if there are extra tasks or projects to wrap up. But generally, I try to stick to the schedule to keep a good work-life balance.*
